Dear Young Families,

We had a full week. On Tuesday, Young students participated in Jump Rope for Heart and on Wednesday we had a great visit with author Kim Baker.

We hope Young girls enjoy the PTA Daughter Dance tonight. The theme for the dance is Bollywood. Mrs. LaVine and the Dance committee have a great night planned for Young girls and their family members. If you have not yet purchased a ticket, tickets can be purchased at the door. (\$10.00/adult, girls are free)

Please take some time to review the information below.

Sincerely,

Ms. Morgan

Principal, Young School

## Next Week at Young

<b>Tuesday, 2/14</b>	<b>Valentine's Day</b>  Classroom teachers provide time during the day for students to pass out valentines. Please note that valentines are not required. However, if your child is bringing in valentines, a valentine needs to be given to every student in the classroom. We encourage you to send a card only to keep the focus of the day on kind words of friendship. <b>As a reminder, please do not send in candy or food treats due to student allergies.</b> If you choose, students may include a school supply item with their valentines.
<b>Thursday, 2/16</b>	<b>PTA Portillo's Night</b> <b>1992 W. Jefferson</b> <b>Naperville, IL</b> <b>5:00 pm – 8:00 pm</b>  Please bring the attached flyer or show it on your smartphone so that the PTA receives credit for your purchase. Proceeds from this night will go towards supporting PTA programs for students and families.

**PTA One Book/One School Update:** The author of Pickle, Kim Baker, visited our school on Wednesday this past week and talked about her book during assemblies with the students. We hope all the students enjoyed the time with her. She was very impressed with our students as well as our school.

Next week is the final week of One Book/One School. Our last activity is family recipe cards. Please fill out your card with a fun family recipe and submit it in the Green Pickle Box in the LMC next week. We will make a book out of the recipe cards for the LMC.

Happy Reading!  
Joanne Jachimiec

**STEM School Meeting for Incoming 3<sup>rd</sup> Grade Students:** The John C. Dunham STEM Partnership School on the Aurora University campus serves students in third through eighth grades in the Batavia, East Aurora, Indian Prairie and West Aurora school districts.

Parents from these districts who are interested in enrolling their **incoming third-grader** in the STEM Partnership School are invited to attend an upcoming parent information meeting. The meeting will be held at the Aurora University Banquet Hall at 1410 Marseillaise Place, Aurora 60506 from 6:00 pm –8:00 pm.

View a flyer below for more info:
