Engage and Energize Productive Student Learners

Hello Young Parents,

Today, was “High Five Friday. Staff members were stationed around the building to greet kids with “High Fives”. Classroom teachers gave “High Fives” as their students entered the classroom. Everyone was energized and excited to begin the school day.

We are looking forward to this evening’s PTA Daughter Dance. The Daughter Dance Committee has worked very hard over the past several months planning for a great event for Young families. Thank you very much to Mrs. Sidell and the parent committee who worked with her to provide treats, plan, and decorate, for this wonderful night!

Please take a moment to review the notes and information below.

Sincerely,

Ms. Morgan

2/26	<p>Did you know District 204 maintains 4 million square feet of building space and more than 650 acres of property? That makes the district's acreage twice the size of Six Flags and its combined building space larger than the Merchandise Mart. Learn about the challenges of maintaining 35 buildings that span 80 years of construction and then give us your feedback at the next Engage 204 session from 7 to 9 pm on February 26 at Still Middle School, 787 Meadowridge Drive, Aurora. The session topic is "The State of Our Facilities."</p> <p>Engage 204 is a collaborative process between the community and District 204. Key to the success of this process is the collaboration and discussion between participants. District residents who attend will have the unique opportunity to share ideas and discuss topics in small groups in order to provide feedback to the Board of Education. Findings and recommendations will be presented to the Board of Education in July 2018. All District 204 residents are invited to participate in Engage 204.</p> <p>RSVP is appreciated, but not required at RSVP. For more information, visit Engage 204.</p>
