### **PTA Reflections Program**

Reflections is a national PTA-sponsored program that encourages students to explore their creativity in the arts. Students in all grades K-5 can submit one or more entries in any or all of the following categories: Visual Arts, Photography, Literature, Dance Choreography, Musical Composition, or Film/Video Production.

**The theme for the 2016-2017 school year is:  
“What Is Your Story?”**

Below are documents and instructions that will help you as you work on your project. Please pay special attention to the Official Rules for the category in which your artist is participating. Depending on the category, some of the rules are very specific. The Nancy Young Elementary PTA is not allowed to advance any entries that do not fully comply with the National PTA Reflection Rules; therefore, entries not in compliance will not have the opportunity to advance to judging at the IPPC. **All entries must be submitted by October 17, 2016.** Questions? Contact Kelly Coyle at [coylein99@sbcglobal.net](mailto:coylein99@sbcglobal.net).
