Engage and Energize Productive Student Learners

Dear Young Families,

We have enjoyed the beautiful weather this week. Students and teachers continue to develop relationships within their classroom learning communities.

Thank you to the PTA volunteers for being an extra set of hands during kindergarten lunch over the past two weeks. We have appreciated their help answering questions and supporting our kindergarten friends with opening milk as well as bags and containers of food.

The Naperville Marathon is coming soon on October 22. We are excited to have members of the Young community participate in the Student Run on October 21 and the Adult Run on October 22.

Thank you to the Young students and parents who have signed up to represent and raise funds for Young School. We are thankful and appreciative of your support. Students can still sign up to run on October 21 through the following link. <https://www.ipef204.org/kidsmarathon/>
